LETTER DATED 14 JANUARY 1993 FROM THE PERMANENT REPRESENTATIVE
OF THE ISLAMIC REPUBLIC OF IRAN TO THE UNITED NATIONS ADDRESSED
TO THE SECRETARY-GENERAL

Upon instructions from my Government, I have the honour to bring to your attention the following instance of violations by Iraq of the terms of the cease-fire between the two countries.

On 22 August 1992, 30 anti-revolutionaries supported by the Iraqi Government, along with two domestic animals carrying ammunition crossed the border and entered the territory of the Islamic Republic of Iran at the geographic coordinates of 91-97 on the map of Dizedj in no man's land, south of border pillar 125. They continued on their way towards the geographic coordinates of 94-92 on the map of Sypiarez, east of border pillar 124.

It would be highly appreciated if this letter were circulated as a document of the Security Council.
